

BILL HUSSEY was born in a little log cabin print shop on the edge of the frontier. 50 gigabytes later he is the father of four terrific children and grandfather of adorable grandkids. He has sung with a number of blues and jazz artists and bands, and as "Mr. Pixel" is creating demo DVDs for musicians. Bill came into the League as the new husband of our neighbor Bonnie Semora. He is eager to help and to learn and contribute, and he has the background and skills to do so in a big way.
