

**CARRIE BOYER** has been a chorister and soloist since childhood. She played Pitti-Sing in *The Mikado* and Buttercup in *HMS Pinafore*. She is the wife of a “super guy,” Dale, mother of Steven and April, and a radiographer. Carrie played the role of Lum in our *Columbia, the Gem of the Ozarks* and can really sing the blues. She and daughter April are on hiatus with the League, and we hope to welcome them back soon.
