

KIRA MACKENZIE THORNTON was born January 28, 2005 a month early and weighing just over 5 pounds. She has taken dance classes for the last three years and loves Lyric League. She learns the songs, often before her mom, aunt, and grandmother. She attends all the performances and sings right along. She can be heard singing these songs as she goes about her day at home. She started kindergarten last fall at Statham Elementary. She debuted as soloist with “Zip a dee doo dah,” and dueted with her Mom dressed as a Cheerio in “Lyric League Sings GLEEfully.”
